

HEC September 2019 Newsletter

Hello, everyone!

The HAJET Welcome Party season has officially begun and HEC will be out there at every party raising funds for HEC 2020! We can't wait to see you all out there for great food, drinks, games, and friendship.

On September 7th, we kicked off our welcome party fundraising campaign. We got a lot of wonderful donations and had a blast with an impromptu water pong tournament. We received so much wonderful support and were able to chat with many folks who are interested in volunteering. Thanks to everyone who came out and supported HEC! To the folks in other regions, we'll be coming to your neck of the woods very soon. If you'd like to show your support, check out our welcome party poster for info on how to get involved: https://hec.hajet.org/wp-content/uploads/2019/09/HEC-Poster_Night.png

We are gearing up for the next four parties, but we also have other awesome chances to give and volunteer on the horizon. The registration period for the fall stamp rally has begun, so if you're looking to have an adventure and win prizes, then check out the competition at hec.hajet.org/fallstamp. The rally begins October 12 so be sure to sign up before then. Also, do you like Halloween? Do you like volunteering? Look no further than Higashikagura's Halloween event on October 26. HEC will be volunteering as a group. Please contact hec@hajet.org for more info.

Finally, we are actively searching for camp coordinators, a test coordinator, and an events coordinator. If you want to play a major role in crafting the best camp in Hokkaido, then contact hec@hajet.org for more information or check out our flyer in the August Polestar: <http://online.fliphtml5.com/xgrow/nzkd/> !

No HEC. No life.

Colin Takeo

What is HEC?

Since 1994, Hokkaido English Challenge (HEC) has provided a unique summer camp experience by organizing an annual five-day camp attended by 50 junior high and high school students from across Hokkaido. The camp is run by volunteers and funded by donations. To learn more, visit hec.hajet.org or look for us on Facebook!

What is a stamp rally?

A stamp rally is a political rally, but only stamps are allowed to attend. I kid. A stamp rally is a contest to collect stamps from locations around a given area. In this case, Hokkaido is the area and the stamps are ripe for the collecting at train stations, road stops, onsens, attractions, and HAJET/HEC events. It's a race to collect them and prove it to us you did before other competitors do, so collect with the quickness!

The rally options

There are two options. Option 1, Explorer, requires 2 stamps from road stops, 2 stamps from train stations, 2 stamps from onsens, and 5 stamps from attractions. With Option 2, Challenger, we aren't so fussy. A single HAJET/HEC event stamp, which you can get BEFORE the official start date, sets you free to get any combination of 8 stamps the other categories. Hint: get your HAJET/HEC stamp when you sign up. Let's enjoying stamp rally together!

How do I compete?

- Pay a 1000 yen entry fee to HEC. (There will be no prizes if we don't get at least 15 paid entrants.)
- Print the five booklet pages.
- Craft your booklet.
- Explore Hokkaido!

- Collect your stamps after the start date and before the end date.
- Send your finished booklet to hec@hajet.org as images or PDF as soon as possible. You snooze, you lose!
- Win sweet prizes all for a great cause!

The prizes *trumpet blast*

- 1st: 5000 yen
- 2nd: 2500 yen
- 3rd: An HEC T-shirt of your choice
- 4th-10th: Various goodies

Rules

- The rally begins October 12 and ends on November 23.
- Stamps must be readable.
- Stamps must come from within Hokkaido.
- Only paid entrants can win prizes.

- Stamps must include the name of the attraction.
- Attraction stamps cannot be repeated; i.e., two stamps from the same zoo is not allowed.
- Prizes are based on submission time. Email pictures or scans of your completed booklet to hec@hajet.org.

To print your booklet, please visit hec.hajet.org/fallstamprally.
