

HEC November 2019 Newsletter

We are ramping up preparations for test registration and our big information push. Our first information event is SDC 2019. We'll be talking about the test, camp, important dates and how to get involved. We'll also wrap up [our lovely art auction](#) at the conference. Information will also become available on our updated website – it's beautiful!

Since the welcome parties, HEC has been on a bit of an event break, but we are coming back with awesome events starting this month! We will be at HAJET's Fall Meeting with our popular pub quiz. It will be held at the HAJET Nijikai on November 23rd. Form a team and fill your head with historic dates, random tidbits, and other important information before you enter this heated competition! You'll be able to sign up at the morning meeting, the enkaï, and the nijikai.

HEC Meet and Greet returns this December. This is a special event focused on celebrating alumni and past volunteers while also spreading the word to future campers and leaders! We will be meeting in Sapporo on December 7th at the Hokkaido Citizens Activity Center. Please peruse [the event page](#) for more information and to let us know you're coming!

No HEC. No life.
