February 2020

The number of registrations for HEC 2020 is steadily rising and the deadline is fast approaching. Are you all ready? Have you had those important conversations with students and JTEs? If so, head on over to www.hec.hajet.org/the-test to get all the necessary documents. Please remember that we need your documents and payment by February 14!

We are also steadily selling Kitami Concert tickets. We've sold about 1/4 of them so far and expect a rush this month, so please get yours before all 40 tickets are gone. Food, friends, music, and dance await.

Spring is the time for music in Sapporo! Like the Kitami Concert, this concert will also have a limited number of tickets. It's shaping up to be a popular one – about half of the tickets are already claimed!

Grab your ticket before they are all gone!

No HEC. No life.
