Dear Hana,
How are you?

It is winter vacation now and I am in Singapore! My family and I arrived at midnight last night. It was very late, but I am excited to see the city.
This morning, we woke up at 10am to go to see flowers at Gardens by the Bay. All the flowers and plants were so beautiful. I want to go again someday!
Tomorrow, we will go to Universal Studios Singapore. I'm so excited! I have never been to Universal Studios Japan in Osaka, so I'm very happy. My sister likes Minions. Do you know what a merlion is? It is an animal that is half lion and half fish. It brings good luck to the people of Singapore. There are many merlion statues here. I will buy you a keychain as a souvenir!
I want to see you soon.

Your friend,
Rintaro

SECTION SIX: TWENTY QUESTIONS

In this section, you take on the identity of a person, a place, or a thing. The student has six minutes to ask you 20 yes/no questions to gather information in order to determine your identity. You must take on the identity of the person, place, or thing indicated below. Information about each is provided. Please read the information before beginning this section.

- The student **MAY** take notes.
- Should the student guess your identity in fewer than 20 questions, you may play again using one of the remaining two identities. However, the limit of 20 questions does **NOT** reset and the student will only have the remaining questions from the first round to determine the second identity.
- The game ends after six minutes, after a total of 20 questions have been asked, or after all three identities have been determined, whichever comes first.
- Please warn your student when there are only two questions left.
- You **MAY** warn the student when there is 30 seconds left.
- If you do not know the answer to a question, you may respond with “I don’t know,” and that question will **NOT** count towards the 20-question limit.
- You may only respond to questions that can be answered in a yes/no structure. However, nuanced answers such as “maybe,” “sometimes,” etc. may be given if a definite answer cannot be given. Please be sure your nuanced answer does not give excessive information. These questions **WILL** count towards the 20-question limit.

Step 1: Please read all the directions, rules, and identity descriptions before beginning this section.

Step 2: Please choose one of the three identities listed below that you believe the student would know best.

Step 3: Read the following introductory sentence: “Section 6: 20 Questions. We have six minutes. You can take notes. Please ask me yes-or-no questions. **pause** I’m a _____.” (Insert “person,” “place,” or “thing” as appropriate.) Please keep a tally of how many questions are asked.
